Below are the steps to become a certified volunteer with DPR:

1. Complete a volunteer application. The application can be found at <http://bit.ly/iBI0T7>
2. Schedule a background check appointment by emailing DPR.hr@dc.gov. The email should include name, phone number, date of birth, and recreation site if applicable. Further instructions, MPD location information and a description of required documents will be given to you by Human Resources at that time.

Please feel free to share this information with community members.
